Timeless Turkey

19 day Escorted Tour, 09-27 September 2020

With one foot in Asia and the other in Europe, Turkey holds a unique place in history.

From Achilles to Alexander the Great, empires have founded and fallen here leaving a complex and fascinating trail through time.

The city of Istanbul showcases its cultural heritage alongside an increasing number of trendy eateries and cutting-edge bastions of 'cool'. Historic monuments, testament to its opulent past remain Istanbul's largest attractions, but the element of surprise lies in just how European this city feels. Witness the ravages of religious and political history at the ruins of Ephesus and the poignant memories of the Anzacs' presence at Gallipoli. Fabled stories help to bring to life in your imagination the mythological battle between Greek and Trojan

heroes, who fought for the honour of Helen of Sparta, in the legendary city of Troy.

Wander the narrow, weather-worn streets of ancient Karmylassos, now known as the ghost town of Kayaköy. Nestled in the Taurus mountains stands a modern ruin - thousands of abandoned stone houses and structures, lost in time. Surreal and eerie, this deserted village now forms a memorial to Turkish-Greek peace initiatives.

Spend a day on the water around the Teke peninsula and Turquoise Coast from your base in Kas. Protected inlets and picturesque bays are ideal for underwater pursuits. Enjoy the mellow atmosphere on board a boat cruise hosted by locals, sharing in their love of the sea and of food!

The unique landscapes of Pamukkale and Cappadocia are two extraordinary natural wonders. Pamukkale's terraces cascading with warm, mineral-rich water, were once the treasured healing baths of Hierapolis, while the lunar landscape of Cappadocia, with its underground cities, cave churches and houses, makes you feel like you have left Earth and descended on another planet! Step inside an incredible troglodyte city located more than 60 metres underground, where a maze of passages and tunnels leads to rooms where people once worked and worshipped.

Be mesmerised by the mystical Sufism practice of 'whirling' - a ceremonial ritual of spirituality. Dine on delicious Mediterranean cuisine in local restaurants and shop in the ateliers for intricately decorated Turkish pottery - this tour of Turkey captures timeless Ottoman, Greek and western influence in both its history and cuisine.

With the warmth of its people and breath-taking landscape - Turkey is back!

Your Tour Itinerary

09 Sep Christchurch – Istanbul

Depart Christchurch in the evening, transit via Dubai, en-route to Istanbul.

10 Sep Istanbul

Welcome to Istanbul - the continent-straddling metropolis that the Greeks, Romans, Byzantines, and Ottomans have called home. You'll be transferred to your hotel upon your arrival. Meet your local guide at the Welcome Meeting followed by a fun dinner at a local belly dancing restaurant! (D)

11 Sep Istanbul

This morning, your Istanbul city tour starts at the Hippodrome. The Hippodrome of Constantinople, located in Sultanahmet, was a public arena mainly used for chariot races. The word "hippodrome" comes from the Greek hippos (horse) and dromos (way). The Hippodrome of Constantinople was also home to gladiatorial games, official ceremonies, celebrations as well as protest marches and the torture of convicts. The Blue Mosque will be your next stop. Also known as the Sultan Ahmet Camii (or Sultan Ahmed Mosque), this breath-taking building is one of the most majestic Ottoman mosques in all of Turkey.

Next you'll visit Topkapi Palace, the largest and one of the most popular sites to visit, was built between 1466 and 1478 by the sultan Mehmet II on top of a hill in a small peninsula. It dominates the Golden Horn to the north, the Sea of Marmara to the south, and the Bosphorus Strait to the north east, with great views of the Asian side as well. The palace was the political centre of the Ottoman Empire between

the 15th and 19th centuries, until they built Dolmabahce Palace, near the waterside. You'll finish your tour with a visit to the Grand Bazaar, one of the oldest covered markets in the world, with 61 covered streets and over 4,000 shops. The Grand Bazaar is often regarded as one of the first shopping malls of the world, and is an absolute feast for the senses! Dinner tonight is at a local restaurant. (B, D)

12 Sep Istanbul - Çanakkale

Early this morning, after breakfast we begin the drive to Çanakkale, located on the shores of the Dardanelles, which connects the Sea of Marmara to the Aegean Sea and touches both Europe (with the Gelibolu Peninsula) and Asia (with the Biga Peninsula).

After lunch we will visit Gallipoli to see the beach and cemeteries of Anzac Cove. Later, we'll head up the hill toward the poignant memorials of Lone Pine and Chunuk Bair. It's a sobering afternoon as you look down upon the rough hills and gullies that became the graveyard for so many thousands of young men from both sides. You will tour the former battlefields and remnants of trenches used by the Turkish soldiers. Return to Çanakkale for dinner at a local restaurant. (B, D)

13 Sep Çanakkale - Selcuk

En-route to Selcuk today you'll stop at the site of Troy. As well as seeing the remnants of the ancient city walls and the famed wooden horse, you will learn more about the ground-breaking archaeological digs here and how the site has baffled historians.

Before arriving at Selcuk you'll visit a Carpet Weaving Centre and take some time to learn about this ancient art, wander the grounds and the store at your leisure or simply sit, relax and enjoy some Turkish tea. Arrive at Selcuk later in the day and visit Sirince to enjoy a tasting of local fruit wine. Dine at a local restaurant tonight. (B, D)

14 Sep Selcuk - Ephesus

This morning enjoy an orientation walk around the village of Selcuk, a sprawling town lying at the base of the ancient Aysuluk Hill fortress. You'll visit the last remaining column of the Temple of Artemis, the

ancient aqueducts and the 14th-century Isabey Mosque.

Later this afternoon visit Ephesus, one of the best-preserved classical cities in the Eastern Mediterranean and arguably the greatest Greco-Roman site in the world. Tour around the amphitheatre, stroll the marble streets once walked by Cleopatra and Mark Antony, and marvel at the gymnasium, baths and beautifully restored Library of Celsus. Dinner will be enjoyed at a local restaurant. (B, D)

15 Sep Pamukkale

After breakfast this morning we drive to Pamukkale, also known as 'Cotton Castle' and a truly unique sight. This magical and spectacular natural phenomenon was created by deposits from thermal waters that cascaded down the mountainside over hundreds of years, forming a myriad of pools and terraces. As the water overflows from the pools, dazzling cream-coloured stalactites are formed that, from afar, resemble cotton or snow. The pools are filled with hot spring waters that purportedly have healing properties for one's circulation and digestive systems. Close to Pamukkale are the ruins of Hierapolis, which were founded by the King of Pergamon in 190 BC and by the 2nd century AD it had become an important Roman bath centre. The extensive ruins of Hierapolis are well worth exploring and include a theatre, temple, holy area, monumental fountain, bath, basilica and necropolis. Dinner is at a local restaurant tonight. (B, D)

16 Sep Pamukkale - Fethiye

This morning we journey to the Mediterranean coast, arriving first in the Greek ghost-town of Kayaköy. Stroll around and take in the eerie atmosphere, due in no small part to population repatriation and earthquake damage. Continue on to Fethiye, a culturally fertile town located on a bay, surrounded by pine forests and islands. Dinner is at a local restaurant tonight. (B, D)

17 Sep Kaş

Continue on to the seaside village of Kaş. Here you'll see charming whitewashed houses covered in bougainvilleas as well as an ancient Greek theatre. Sample the local cuisine and enjoy the night in the town's quaint centre, where you'll dine in a local restaurant. (B, D)

18 Sep Kaş - Kekova

Drive to Kekova and embark on a boat cruise around the local islands. Your hosts Mehmet and Sebahat are people of the Mediterranean, hailing from the small village of Ucagiz on the Turkish Mediterranean Coast. They married young, bought a boat and went fishing. Like a lot of oceans, their home became victim to over-fishing through new and modern methods of reaping the perfect catch. They had a boat, and they had one of the best cooks in the

Your Tour Itinerary (continued)

district so they set out to share their love of the sea and their love of food.

The cruise takes you to the settlement of Ucaciz and the village of Simena. You'll also sail from the large bays in to beautiful protected inlets where you can go for a swim. On board the boat you'll enjoy lunch in Tersane Bay. The water here is deep but you can still see the bottom; the shore is lined with the ruins of an ancient city, long ago sunken into the clear waters. Look out for rock formations and houses that have been submerged under the clear water. Return to Kaş in the evening and enjoy dinner on the boat. (B, L, D)

19 Sep Kaş – Antalya

Continuing our exploration of the Mediterranean we take a 3.5 hour scenic drive to the jewel in the Mediterranean crown - Antalya. Your hotel is located in the Kaleiçi (old city) and you'll go on an afternoon walk to see Hadrian's Gate, the old Roman Harbour and the turquoise waters of the Mediterranean, and take a guided tour of the Antalya Museum in the afternoon. Dinner will be enjoyed at a local restaurant. (B, D)

20 Sep Antalya - Konya

Continue on to Konya, an ancient city important in Roman times, and where the mystic Sufi practice of 'whirling' originates. You'll visit the mausoleum of the famous mystic Mevlana, the museum housing manuscripts of his works, as well as various artefacts relating to the mystic sect.

Our journey to Konya is approximately 6 hours; on the way glimpse beautiful views of the Taurus Mountains and enjoy a special moment as we stop at Beyşehir to see the Eşrefoğlu Mosque, a fine example of Seljuk Turkish architecture. Dine at a local restaurant tonight. (B, D)

21 Sep Konya - Cappadocia

Today's touring includes a visit to the incredible underground city of Derinkuyu. See dwellings that span seven levels beneath the ground. From here you'll make your way to the archaeological site of Asikli Höyük, which was first settled in 8,000 BC. Then settle into the relaxed pace of Goreme for the next three nights. Dinner is at your hotel. (B, D)

22 Sep Goreme

Early birds have the option of taking a hot air balloon over the otherworldly Cappadocian landscape. The scene at sunrise is sure to take your breath away. After a relaxing breakfast from your terrace overlooking the valley you'll visit the

Goreme Open Air Museum. See the many incredible houses, churches and monasteries carved out of the soft cliff face. The Christian sanctuaries contain many examples of Byzantine art, cave chapels and colourful biblical frescoes from the 10th-12th centuries. Later in the afternoon, you'll go on a short walk through 'Love Valley' which is famous for its phallic rock formations! Then head back to your hotel in Goreme. Perhaps take an optional Turkish bath to unwind at the end of the day. At night, you will enjoy the meal at a local house with a local family. (B, D)

23 Sep Goreme

Enjoy a relaxing breakfast and then go for a walk to the most beautiful valley in Cappadocia, Kizilcukur. You'll see fascinating rock formations such as cones, peaks and fairy chimneys, as well as manmade cave chapels from early Christian times. Later in the afternoon visit the red river of Cappadocia, famous for its clay which is still used to make magnificent pieces of art. Learn about this ancient craft today when on your visit to a local potter. Tonight you will enjoy your meal while watching the Whirling Dervishes whirl! This is a religious dance performed to express emotion and achieve the wisdom and love of God. It's a beautiful display of devotion, and certainly fun to watch! (B, D)

24 Sep Kayseri - Istanbul

This morning say goodbye to Cappadocia and fly to Istanbul. On arrival into Istanbul you will be transferred to your hotel. The afternoon is yours to explore some of the hidden charms of Istanbul. Tonight, we farewell Timeless Turkey with a relaxing farewell dinner aboard a river cruise of the Bosphorus. (B, D)
