IMPORTANT MATTERS

Under **your policy** there are rights and responsibilities which **you** and **we** have. **You** must read this policy wording in full for all details, but here are some **you** should be aware of.

Applying for cover

When **you** apply for **your policy**, **we** will confirm with **you** things such as the period of cover, **your** premium, what cover options and **excess** will apply, and whether any standard terms are to be varied (this may be by way of a written notice **we** give **you**). These details will be recorded on the **Certificate of Insurance** issued to **you**.

This policy wording sets out the cover **we** are able to provide **you** with. **You** need to decide if the benefit limits, type and level of cover are appropriate for **you** and will cover **your** potential loss, subject to the plan type (and pack(s) if applicable) that **you** choose. If **you** have any queries, want further information about this **policy** or want to confirm a transaction, please use the contact details on the back cover of this policy wording.

Your duty of disclosure

When **you** apply for insurance or alter this **policy**, **you** have a duty at law to disclose to **us** all material facts. A material fact is one that may influence a prudent insurer in deciding whether or not to accept the cover and, if so, on what terms and conditions and for what premium.

Examples of information **you** may need to disclose include:

- anything that increases the risk of an insurance claim;
- any criminal conviction subject to the Criminal Records (Clean Slate) Act 2004;
- if another insurer has cancelled or refused to insure or renew insurance, has imposed special terms, or refused any claim;
- any insurance claim or loss made or suffered in the past.

These examples are a guide only. If there is any doubt as to whether a particular piece of information needs to be disclosed, this should be referred to **us**.

If **you** fail to comply with **your** Duty of Disclosure it may result in:

- this **policy** avoided retrospectively with the effect that the **policy** never existed;
- this **policy** being cancelled; or
- the amount **we** pay if **you** make a claim being reduced;
- **us** refusing to pay a claim.

About your premium

You will be told the premium payable for **your policy** when **you** apply. In calculating the premium, **we** take into account a number of risk factors including **your** destination(s), length of **journey**, the number of persons and age of persons to be covered under the **policy** and the plan type **you** select. The amount of any **excess** payable, cover for Additional Options and cover for agreed **pre-existing medical conditions** is also included in the calculation of **your** premium.

Your total premium reflects the amount **we** calculate to cover these risks as well as any relevant government charges, taxes or levies (such as GST) in relation to **your policy**. These amounts are included in the total amount payable by **you** as shown in **your Certificate of Insurance**.

Change of circumstances

During the period of insurance, **you** must tell **us** immediately of any material change in the circumstances surrounding the subject matter of this insurance that:

- increase the risk **we** are insuring, or
- alter the nature of the risk **we** are insuring.

Once **you** have told **us**, **we** may immediately change the terms of this **policy**, or cancel it. If **you** fail to tell **us**, **we** may apply these changes retrospectively from the date **you** ought to have reasonably told **us**.

Limitation of cover

Notwithstanding anything contained in this policy wording **we** will not provide cover nor will **we** make any payment or provide any service or benefit to any person or party where providing such cover, payment, service or benefit would contravene or violate any applicable trade or economic sanction or any law or regulation.

Confirmation of cover

To confirm any **policy** transaction, (if the **Certificate of Insurance** does not have all the information **you** require), call **us** on the contact number shown on the back cover of this policy wording.

Cooling-off period

Even after **you** have purchased **your policy**, **you** have cooling-off rights.

If **you** decide that **you** do not want **your policy**, **you** may cancel it within 14 days after **you** are issued **your Certificate of Insurance**. **You** will be given a full refund of the premium **you** paid, provided **you** have not started **your journey** or **you** do not want to make a claim or to exercise any other right under **your policy**.

After this period **you** can still cancel **your policy** but **we** will not refund any part of **your** premium if **you** do.

Jurisdiction and choice of law

However, **we** are not responsible for **overseas** medical standards. Medical facilities in the country **you** have travelled to may have lower medical standards than those in New Zealand. If **you** do not get the medical treatment **you** expect, **Allianz Partners** can assist **you** but neither The Hollard Insurance Company Pty Ltd nor **Allianz Partners** are liable for anything that results from such treatment.

Private hospital treatment is not covered under this **policy** where public funded services or care is available, or where a **Reciprocal Healthcare Agreement** is available.

Under Plans A, B, C, D, E, F, G & H, if **you** are pregnant at the time **you** purchase **your policy** and provided that all of the following apply to **you**:

- a) **your** pregnancy is a single pregnancy; and

How do I apply for cover for my pre-existing medical condition?

If **you** have chosen Plan A, Plan B or Plan E and **you** have a **pre-existing medical condition** which is not automatically covered by this policy, please apply for additional cover for this condition online or by calling the contact number shown on the back cover of this policy wording.

You cannot apply for cover of **pre-existing medical conditions** which are not automatically covered under Plan C, Plan D, Plan F, Plan G or Plan H.

If **you** have any questions about **pre-existing medical conditions**, please call the contact number shown on the back cover of this policy wording.

If **you** have a **pre-existing medical condition** and:

- you** do not apply for cover for that **pre-existing medical condition**; or
- you** apply for cover for that **pre-existing medical condition** and **we** do not agree to provide cover for that **pre-existing medical condition**; or
- we** agree to provide cover for that **pre-existing medical condition** and **you** do not pay any relevant additional premium;

we will not pay any claims arising directly or indirectly from, related to, or associated with **your pre-existing medical condition**.

Conditions which are undiagnosed or awaiting specialist opinion

Please note that **we** are unable to offer any cover, under any circumstances, for any signs or symptoms (physical or mental) that **you** were aware of when **your policy** was issued, and for which at that time:

- you** had not sought a medical opinion regarding the cause; or
- you** were currently under investigation to define a diagnosis; or
- you** were awaiting specialist opinion.

You can still purchase a **policy** and apply for cover for other **pre-existing medical conditions**, however, there will be no provision to claim under any section of the **policy** for any claims arising from, related to or associated with any of the above.

Medical conditions/circumstances which automatically exclude all cover for medical or hospital expenses

Some medical conditions or circumstances can automatically exclude all cover for medical or hospital expenses. Depending on **your pre-existing medical condition**, **we** may be unable to offer **you** a **policy** which provides cover for any **medical expenses**, or for any other expenses arising from, related to or associated with any **injury** or **sickness** suffered by **you**.

If that is the case, **you** may be able to purchase a Non-Medical Plan. The Non-Medical Plan **we** may offer **you** will not cover **your dependants** who are travelling with **you** on **your journey**, and **you** may not select family cover under this plan. The Non-Medical Plan can only be purchased as an alternative to Plans A and B if we are unable to offer **you** any medical cover due to **your pre-existing medical conditions**.

Claims are payable in New Zealand dollars to you

We will pay all claims in New Zealand dollars. **We** will pay **you** unless **you** tell **us** to pay someone else. The rate of currency exchange that will apply is the rate at the time **you** incurred the expense.

Payment will be made by direct credit to a New Zealand bank account nominated by **you**.

You must not admit fault or liability

You must not admit that **you** are at fault, for any accident, incident or event causing a claim under **your policy**, and **you** must not offer or promise to pay any money, or become involved in legal action, without the approval of **Allianz Partners**.

You must help us to recover any money we have paid

If **we** have a claim against someone in relation to the money **we** have to pay or **we** have paid under your **policy**, **you** must do everything **you** can to help **us** do that in legal proceedings. If **you** are aware of any third party that **you** or **we** may recover money from, **you** must inform **us** of such third party.

If you can claim from anyone else, we will only make up the difference

If **you** can make a claim against someone in relation to a loss or expense covered under this **policy** and they do not pay **you** the full amount of **your claim**, **we** will make up the difference. **You** must claim from them first.

Other insurance

If any loss, damage or liability covered under this **policy** is covered by another insurance policy, **you** must give **us** details.

We will only make any payment under this **policy** once the other insurance **policy** is exhausted. If **we** have paid **your claim** in full first, **we** may seek contribution from **your** other insurer. **You** must give **us** any information **we** reasonably ask for to help **us** make a claim from **your** other insurer.

These rights exist regardless of whether **your claim** is paid under a non-indemnity or an indemnity clause of this **policy**.

Recovery

We will apply any money **we** recover from someone else under a right of subrogation in the following order:

1. To **us**, **our** costs (administration and legal) arising from the recovery.
2. To **us**, an amount equal to the amount that **we** paid to **you** under **your policy**.
3. To **you**, **your** uninsured loss (less **your excess**).
4. To **you**, **your excess**.

Once **we** pay **your** total loss **we** will keep all money left over.

If **we** have paid **your** total loss and **you** receive a payment from someone else for that loss or damage, **you** must pay **us** the amount of that payment up to the amount of the claim **we** paid **you**.

If **we** pay **you** for lost or damaged property and **you** later recover the property or it is replaced by a third party, **you** must pay **us** the amount of the claim **we** paid **you**.
